Quarter Bistro, 300 S. Maple Rd, Ann Arbor, MI

6 pm Networking - 6:30 Dinner meeting - 7:30 Program

For all the miracles of modern technology, nothing can replace real-time face-to-face conversations. Ms. Darvick created Picture a Conversation™-- a set of conversation starters designed to inspire meaningful exchanges between co-workers, families, friends and more.

During this interactive evening, Ms. Darvick will share some of her research on the topic, creating and modeling a comfortable space where conversation can be shared. By evening's end, your conversations will bring new connections, new personal insights and new tools for returning energizing conversations to the workplace.
